Ministry Update August 24, 2012

Dear friends and partners:

I need to let you know that we have a new mailing address in the USA, it is below. We discovered that an error was made and some of the mail which was sent to our Post Office box in Otis Orchards was returned to the senders. If you mailed something in the latter part of July or the first part of August then you may have had it returned to you. This has hurt us because we were already at a low point financially and have not received any checks in our USA mail box for about a month. If you are not sure if we have received a check from you then please reply to this email and I can answer any questions. At this time we are receiving mail at the Post Office box in Otis Orchards again. So, if you mailed something after August 16 we will receive it. **However, we are moving our mailing address to a new location for the future.**

There is no problem with our mail in The Philippines or with PayPal donations. The change only concerns our mail in the USA. We are getting more help for our USA administration of Seek God Ministries. The changes will make it timelier for us to receive funds from the USA organization. Mail and checks will be processed more quickly. We are also planning how we can be more responsive to USA contributors than we have been in the past. The ministry is expanding and the numbers of people we are serving is increasing. Receiving funds faster helps us focus on ministry. The needs are great and we can not ignore starving kids begging us for food and shelter. We have opportunities before us to touch more people with God's love. The Lord is speaking to us to prepare for increase. We are planning and organizing for that. Thank you for helping us feed the hungry, spiritually and physically.

Goals

1. More regular monthly support: to feed hungry kids, to continue remodeling and repairing the Transformation Center Buildings so we can take care of more kids, and expand the Internet ministry for the spiritually hungry.
2. \$23,000 US dollars for a Toyota 15 Passenger van, our current van is a 1994 Toyota that is not usable at this time. We are currently without our own transportation.
3. \$35,000 USD to purchase the farm lot behind the Transformation Center to grow fruits and vegetables for the ministry and for possible income.
4. Funds for remodeling the Transformation Center we possibly need \$50,000 USD for completion but we can work in stages as funds become available. We need \$10,000 to make the buildings able to handle the monsoon rains and prevent more water damage.

We are so thankful for the Lord's provision and we are so thankful for YOU. All of you who have prayed for us and given financially to help us get this far, THANK YOU! We know that the Lord sends very special people to help in this ministry. The Lord is the One building the Transformation Center; He is the One producing fruit in the lives of people as each of us obey His voice.

We love you, and pray God's blessings on you and your family; Gary, Suzzhette, and Kids

As it is written: "HE HAS DISPERSED ABROAD, HE HAS GIVEN TO THE POOR; HIS RIGHTEOUSNESS ENDURES FOREVER." Now may He who supplies seed to the sower, and bread for food, supply and multiply the seed you have sown and increase the fruits of your righteousness, while you are enriched in everything for all liberality, which causes thanksgiving through us to God. For the administration of this service not only supplies the needs of the saints, but also is abounding through many thanksgivings to God. (2nd Cor. 9:9-12)
