

Dear Friends and Partners of Seek God Ministries:

Grace to you and peace from God our Father and the Lord Jesus Christ.

We have an update about the big house which we hope to purchase for an orphanage - children's home. We met with the bank on Thursday and they are now friendly again. They realize that they do have to honor the contract we have, including the one year grace period. The bank is asking us to make a new proposal. We now have the possibility, if they will accept our proposal, to take possession of the house and enter into a contract that would include the grace period as well as stipulations as to what would happen at the end of the grace period if we still had a remaining balance owed. The bank is having a board meeting the second week in October and they want us to submit a proposal before then so they can take it to the board for approval.

At this time we once again need to raise as much money as possible to put toward the house for a new contract. What ever amount we can pay now will not be subject to the 14% interest the bank wants to charge during the grace period. They also want us to make payments for the interest during the one year grace period. As you know it is better to pay principal than interest. What we can pay now goes to principal. We still need a little more than one hundred thousand US dollars to purchase the house. The interest adds to the cost but the house is such a bargain that it remains a very awesome and unique opportunity.

Thank You to all who are participating in this ministry with us. Those who have given financially toward this great opportunity and also those who are standing with us in prayer. Giving of your self is love and it is sowing that will be rewarded. You that are standing with us have helped us come this far. So many things happen here that remind me of those who are helping us. With every testimony I am reminded we are not alone, that people are praying for us, and people are helping us do what we do.

A few days ago one of the kids we rescued from the streets had a dream about heaven. This boy has been living with us since March. In the dream he saw many things in heaven and he said Jesus spoke to him. One of the things the Lord told him was to stay with us we are his family now. One of the temptations street kids face is wanting to run away and go back to their old life. This boy is very happy and content with his new life; he has no temptation to go back to his old life. He loves God and he loves us. He is transformed and continuing to be transformed. He is literally a life saved. We can do this with many other kids. Some are already begging us to take them but we do not have a place for them, yet. The big house is a tool that can help us multiply the number of kids we can rescue.

We are praying that the Lord will touch the hearts of people who can give substantial contributions toward the purchase of the big house. Of course every gift counts and the key is for each person is to obey what the Lord is putting in their heart to give. If you have been blessed by God and you want to help us rescue kids we need you to obey what the Lord is speaking to you. We really need some people who will give some big amounts. If two people gave \$25,000 and five people gave \$10,000 each we could buy the house now. Maybe someone could give \$100,000 and then the other money could go toward renovation so that we could quickly begin taking in kids.

If you are a new partner and you want to learn more about the house you can go to [www.seekgod.org/fgh/](http://www.seekgod.org/fgh/) . You can also read previous newsletters that tell about it at [www.seekgod.org/newsletters/](http://www.seekgod.org/newsletters/) . To find out how to send contributions go to the web site at [www.seekgod.org](http://www.seekgod.org) and click on "Donations".

Thank You again for being our friend and partner in the ministry. Because of your partnership, together we are bringing God's love in word and deed to those most in need. We love you and always include our partners in our prayers.
