Ministry Update December 1, 2011

*He brought me to His house of joy, and His banner over me was love.
Song of Solomon 2:4*

Dear Friends and Partners:

We have some news about the Father of Glory House. We are very close to paying off the big house and property which we want to use as a home for homeless kids in The Philippines.

Recently the USA celebrated Thanksgiving and we also celebrated with some friends in The Philippines. We have so much to be thankful to the Lord for. Even when things are not perfect it is important to make thankfulness a way of life, not just a special day; see our message at www.SeekGod.org about "Loving God with All Your Heart". One thing that we are very thankful for is YOU; our friends and partners who have joined with us in the mission here. You, who have helped us through prayer and financial giving, are making The Father of Glory House progress from being a dream to reality. If you have not helped so far now is a good time to start.

We met with the bank at the end of November as we had planned. We did not have enough funds to complete the payoff of the house. However, we are very close. We gave the bank all the money we had available and a post dated check for the remaining balance. The post dated check is to be deposited at the end of December 2011. We need to receive \$17,000 US dollars (or 730,000 Pesos) before the end of December. By doing it this way we will save about \$1000 dollars in interest which would have been added on in December. **This will complete the purchase of the house and we will have no more interest payments.** As I said before the closing cost and title transfer fees will be completed at a later date. For now we are just focused on paying off the remaining balance. It has been somewhat like giving birth, we have been through a long labor process, we are now near the end. We just need one more big push and the house will be paid for.

**THANK
YOU
LORD!**

We know that those who are part of this project are rejoicing with us.

For now we have to stop working on the house because we do not have available funds to continue the work. We will need to make sure we have the money to cover the house payment before we can resume working on renovating the house. Please pray and ask the Lord what He would have you give during the month of December. To give online by PayPal go to the web site at www.SeekGod.org and click on the "Donation" button. These brothers often come to our place to eat, they are hungry and many times have no food at

their house. They are neighbors. From the left their ages are 12, 9, 6, and 8. You can see that they are underdeveloped for their ages because of a lack of nutrition. The 8 year old was hit by a motorcycle last week. They took him to a hospital but he just suffered some cuts and bruises.

This photo was taken yesterday and what is special about it is they had all just prayed and gave their lives to Jesus. The oldest one seems to be especially sensitive to the things of God. With your help we will continue to nurture them physically and spiritually as we do with other kids here.

Thank you partners for giving to the poor and feeding the hungry through Seek God Ministries.

A few days ago an organization that helps poor kids visited us with some gifts for the children in our area. We live in a place where many children are in poverty. So we had an early Christmas party for the kids. We will still have our regular Christmas party for Kingdom Celebration later in the month.

We always pray for you also but if you have a specific prayer need email us and we will join with you in agreement for your needs. You can use the email address that you received this newsletter from. Although we all face challenges it is really an exciting time as we partner with Lord to bring His will on earth as it is in Heaven. With your help we will continue to seek and to save that which is lost. We want to see Jesus receive His full reward. For more information on how to give go to www.seekgod.org/info/beapart.html

We love you, and pray God's blessings on you and your family,

Gary, Suzzette, and Kids +++
